

A REMINDER FROM EMILCOTT:

Employers to Complete Biennial Hazardous Waste Reports Completion Deadline March 1, 2010

Employers who are considered Large Quantity Generators (LQG) by the Environmental Protection Agency (EPA), are required to complete and submit a Biennial Hazardous Report every even number year for hazardous waste generated and disposed in the prior year. The report must be completed and submitted by March 1, 2010 for all hazardous waste generated and disposed in 2009.

The report must be submitted to the state environmental protection agency (such as the New Jersey Department of Environmental Protection). Copies of the completed report must be kept on file at the facility for a period of three (3) years.

**If you have any questions or need additional information,
please give us a call**
